ISSUE No. 15

SEPTEMBER 1982

B.V.A. NEWS SNIPPET

We can now confirm that the public meeting to hear what is going to happen in the village during the installation of mains drainage and the financial implications to individual householders will definitely be held on Tuesday 2nd November 1982 at 7.30 p.m. in the village hall. This meeting has been arranged in conjunction with our Parish Council and the Test Valley Borough Council. The programme of work involved will be explained in detail and plans and drawings will be on display.

It is in the interest of the 175 householders to be present at this meeting and the large hall has been booked in anticipation of a large turn-out. The advice from experienced Borough Council officials will be very valuable to all those that are going to have, eventually, to put their hands deep in their jeans to pay for the cost of connection. There will not be another reminder about this meeting in the Newsletter as the next issue will come out when it is all over so be sure to make a note of the date - Tuesday 2nd November 1982 at 7.30 p.m. in your diary now.

Membership

As at the 19th July our membership stood at 165 which is pretty good. However, we have noticed when delivering this Newsletter that some of the villagers that enthuse like mad when it is delivered are not yet 'paid up' this year and some have yet to join at all. So, how about it, folks? It costs us money to produce this Newsletter, more than the 50 pence a year it costs you to make your subscription so please, write your name on an envelope and pop in 50 pence per adult and 25 pence per child under 16 and make our Honorary Treasurer a happy man. Either of the two shops will be glad to accept your envelope. Don't forget to write the names on the envelope!

EDITOR'S JOTTINGS

VILLAGE BURIAL GROUND My attention has been drawn to the favourable comment being made by people visiting the graves at All Saints. Several have commented on the excellent way the Burial Ground is being kept. I hope those who have contributed equipment and/or labour so diligently and to such good effect will read this and be gratified to know that their effort has not gone un-noticed.

CHANGES TO ORIGINAL DATES Please note that the village hall fund WHIST DRIVE is on Tuesday 14th September (not Thursday 16th as previously intended), and that All Saints CHRISTMAS BAZAAR is on 20th November (not on 2nd October as previously announced).

NEWS IN BRIEF This issue of the 'News' could be called just that, having the distinction of being the smallest since it came into being in April 1980! To quote from that first issue "We have many active organisations in the village ... Of course, the success of a newsletter depends very much on a regular flow of news from organisations ...". That is just as true today! Apart from the usual contribution from our sponsor organisation, the B.V.A. (thank you, Roy!) the cupboard is very bare this time. Perhaps the holiday period took its toll and reports will be coming in again soon. I hope so, for these are the 'bread and butter' of the 'News', augmented by a touch of 'jam' in the form of articles, letters etc.

NEXT BRAISHFIELD NEWS Material to P.O. & General Store or to Walker's Store or direct to Frances Freckleton or myself by 23rd October, please.
